

EMILY WEYDA

3185 AUTUMN LN. CINCINNATI, OH 45239 | 513 429 9368 | EMILY.WEYDA@GMAIL.COM

Education

- University of Cincinnati** | Cincinnati, Ohio | GPA: 3.3
College of Engineering and Applied Science
Bachelor of Science in Computer Engineering
Minor in Computer Science
Expected Class of 2020
- University of Birmingham** | Birmingham, England
School of Computer Science, First Class Honours
Study Abroad, Fall 2018
- Colerain High School** | Cincinnati, Ohio | GPA: 5.487
Magna Cum Laude, Honors Diploma, Honor Roll, National Honors Society
Class of 2015

Relevant Coursework

Advanced Data Structures & Algorithms, Compilers & Languages, Computer Architecture, Digital Design, Embedded Systems & Design, iPhone Development, Machine Learning, Natural Language Processing, Network Analysis, Operating Systems, Python Programming, Software Engineering, Technical Writing

Technical Skills

Languages: Python, C#/ .NET, C/C++, Java, JavaScript/JSON, MATLAB
Beginner: CSS/HTML, XML, Swift, SQL, Ruby, Raspberry Pi
Software: Visual Studio, Xcode, Git, Docker, Anaconda, Eclipse, Maven, VirtualBox, IDLE
Strong Interests: iOS, Artificial Intelligence/Machine Learning, AR/VR

Professional Experience

- Siemens Digital Industries Software** | Milford, Ohio
January 2019 – August 2019
CTO R&D Software Engineering Co-op
- Helped implement and validate machine learning techniques into current software to increase productivity
 - Utilized Google Cloud AutoML to automate machine learning tasks to train deep learning models
 - Researched topics including quantum computing and deep learning frameworks
 - Contributed to the development of a conversational interface for 3D modeling
- ICR** | Mason, Ohio
January 2018 – May 2018
Cyber Security Software Engineering Co-op
- Performed tasks which allowed ICR to fine-tune its software development by experimenting with GitLab continuous integration and development
 - Added functionality to continuous integration using GitLab to increase communication between teams
 - Self-taught ARM assembly language and learned to use command line and GDB to reverse ARM binaries
- Honeywell Intelligrated** | Mason, Ohio
August 2016 – December 2016, May 2017 – August 2017
R&D Software Engineering Co-op
- Contributed to an Agile Scrum development team by designing software solutions that drove continuous improvement to applications that allow Intelligrated engineers to better develop hardware and software products for clients
 - Repaired broken applications by debugging faulty code and bringing them to a releasable state
 - Designed, wrote and tested new features for existing applications

Leadership

- Robotics Club, Mentor** | Cincinnati Ohio
August 2017 – Present
- Association for Computing Machinery – Women**, Member | Cincinnati, Ohio
November 2015 – Present
- Bearcat Coders at Hughes High School**, Volunteer | Cincinnati, Ohio
November 2015 – September 2018
- Girl Scouts of America**, Scout & Troop Co-leader | Cincinnati, Ohio
August 2003 – December 2018

Available for Full-Time Employment June 2020.
